1. All Export Documents & Cargo for flights **26/08** up to & including **28/08** must be with UCH2 by **14:00** to enable our Export team to process, label, screen & stage cargo for delivery in line with flight cut-off times and avoid bottlenecks.

The 14:00 cut-off for export documents is an ideal that allows for timely processing. We appreciate there will be a number of shipments which are collected Friday 25/08 for which Export Documents will not be provided before 14:00 – These will be processed in line with our usual timeframes.

*We request that all customers submit Export Documents for weekend flights at their earliest possible convenience as this will greatly assist with the provision of service.*

2. Standard Export charges apply if documents are received **25/08** or earlier. If documents are received after this date, special charges will apply.
3. Any shipments collected overnight Friday **25/08** will be delivered on Tuesday **29/08** at standard tariff rates.

Shipments collected **26/08** or **27/08** will be charged at special collection rates plus standard tariff rates for delivery on Tuesday **29/08** when normal service resumes.

4. Import Delivery paperwork for consolidated overnight collections must be with UCH before 16:00 for processing.

***No storage will apply to shipments collected 25/08 through to 28/08 if booked for delivery on Tuesday 29/08.***
