- All Export Documents & Cargo for flights **19/04** up to & including **20/04** must be with UCH2 by 14:00 to enable our Export team to process, label, screen & stage cargo for delivery in line with flight cut-off times and avoid bottlenecks.

The 14:00 cut-off for export documents is an ideal that allows for timely processing. We appreciate there will be a number of shipments which are collected Thursday 17/04 for which Export Documents will not be provided before 14:00 – These will be processed in line with our standard timeframes.

We kindly request all customers to submit their Export Documents for weekend flights as soon as possible, as this will significantly aid the provision of service.

- Standard Export charges apply if documents are received **17/04** or earlier. ***2.1** If documents are received after this date, special charges will apply.
