UCH are passionate about creating an environment that is open, inclusive and progressive.

We understand the needs of our employees so we offer stability through permanent contracts, and the ability to increase your earnings with overtime.

Are you looking for a new challenge, in this fast paced industry? If so, then read on.....

Job Description:

Our Aviation Security Manager is looking for a dedicated and experienced **Warehouse Manager** to support the continued growth of their Department.

You will be responsible for:

- Using your knowledge and understanding of worldwide freight forwarding operations to ensure maximum operational efficiency whilst observing high levels of professional customer service.
- Fostering a first-rate working relationship with internal stakeholders, as well as building and maintaining an excellent rapport with our external parties including airline sheds, customers and all interested freight forwarders.
- Be the managing interface between our current Transport & Operations team, and both import and export facilities.
- Assisting with conducting of risk assessments, supporting the development of mitigating strategies where appropriate
- Supporting the building and management of effective working relationships with internal and external stakeholders
- Take responsibility for the Warehouse Operative team for induction, training and development, sickness cover and holiday planning.
- Manage the document processing with particular focus preparation for the next shift's activities.
- Providing out of hours assistance when required.

Essential MUST have Skills and Experience:

- Knowledge of and experience in the transport and logistic industry
- Knowledge and understanding of worldwide freight forwarding operations
- Knowledge of Safety Management Systems (SMS) within the aviation industry

- Experience in managing warehouse operations
- Ability to communicate well with a variety of stakeholders
- Ability to offer guidance and support and to arrange appropriate training for all warehouse operatives
- Good commercial awareness and decision making skills
- Excellent organisational skills and the ability to work under the pressure of deadlines
- A good working knowledge of Microsoft Office and operational systems

Desirable Experience, Skills and Qualifications

- AVSEC level CM Trained
- CTC cleared

The above are not essential, we will get you trained up once your 5 year checks are complete.

You'll need a flexible outlook, a friendly personality and smart appearance with the desire to deliver a high standard of work.

In return we can offer you:

- Performance based Bonus Scheme
- 28 Days Holiday, rising to 30 after 2 years, including bank holidays
- Full support and training from our Aviation Security Manager
- Internal Progression
- Long Service Awards
- Immediate start available

Summary:

- **Contract:** Permanent
- **Annual Salary:** £45,000 - £50,000 depending on experience
- **Location:** Colnbrook Cargo Centre, Colnbrook, Slough, SL3 0NW
- **Days of Work:** Tuesday to Saturday
- **Hours of Work:** 19:00 - 05:00

In accordance with industry regulations your Right to Work in the UK will be verified at interview stage, and a full 5-year background check will be required for the successful applicant.
